

Summer 2022 Catalog Addendum

The HESI entrance exam fee will be waived for AIAM PN graduates from July 8 through September 30, 2022.

On page 121 dress code, point 1 under "On-Campus":
Add at the end of point 1, "Leggings are not acceptable attire for techniques classes."

p. 154, amend section under Cameras & Sound to the below :

The online class is to be treated as if onsite. Students may not be driving or riding in a car, working, shopping, sleeping, laying down, be in a hospital bed, or other non-learning/education activities while in the online course room. Students observed doing non-learning activities will be given one warning and if the behavior continues will be removed from the course room and must communicate with the Assistant Director of Education/Student Services or Academic Dean for non-nursing courses or with the Director of Nursing for nursing courses (NRS or PNUR prefix) to be admitted to the next course meeting session. Consequences may include behavioral warning/probation and not being allowed to make up missed work/tests, at the discretion of the Assistant Director of Education/Student Services or Academic Dean or the Director of Nursing for nursing courses (NRS or PNUR prefix). All time missed from the course room is subject to the Attendance Policies of the associated course.

See Attendance Policy in Student Policy section for absence penalties. If the student needs to step away for any reason (for example, needing a restroom break), the student should use the Chat feature on "private" to the instructor to inform them, and may turn off the camera at that time, but must turn it back on when back at the computer. Online classroom time is the same as if in the building in an on-campus course. The student must attend for the duration of the course and the camera provides proof of attendance, and sound allows students to hear any instructor communications. Most class sessions are recorded.

Students may not be on the AIAM campus for online courses; exceptions for a one-time need in rare circumstances may be approved by the Academic Dean.

Effective for Fall Quarter 2022

CSS 102 Pre- or Co-requisite for NRS201c and NRS 200

COL 100 and HOL 100 Pre- or Co-requisite for PNUR 103, PNUR 104, PNUR 105, and BIOL 101.

Total Tuition & Required Fees ***	\$20,0016.00

Returning students to AIAM RN or PN programs must repeat technical (nursing) courses if date of withdrawal is over 12 months prior to readmitting quarter start date.

For Readmitting MMTs on p. 134:

Delete this:

Returning students to AIAM MMT program must take practical exam (full body massage) with AIAM instructor if date of withdrawal is over 9 months prior to readmitting quarter start date.

And replace with this:

Returning students to AIAM MMT program must perform two evaluations (full body massage) with AIAM instructor if date of withdrawal is over 1 quarter prior but less than 12 months prior to readmitting quarter start date. One evaluation will be with the Student Clinic Manager. Both evaluations must be passed, or the techniques class must be repeated. If a student has not been in school for 12 months or more, they must repeat the technique class.

In Nursing Admissions section/page 11, change to

RN: Must hold active Practical Nursing license OR be a graduate of the 9-month AIAM Practical Nursing program in December 2020 or afterward and enroll within 2 quarters of graduating from the PN program OR be a graduate of an approved Practical Nursing program within 4 years and 75% English Language Composite Score on HESI.

In Nursing Policies section, p. 91, replace point 2 with:

A new background check is required for readmission if readmission date is over 12 months from previous last date attended. A new physical is required if the previous physical exam on file is over six months old. All medical documentation required at the time of readmission must be current and not expire by the start date of the quarter for which the student is reapplying. If these will expire by the start date of the quarter for which the student is reapplying, these must be renewed for application for readmission.
