

## **Addendum March 27, 2017**

### **Nursing Policies (p. 98)**

***For nursing students in progress as of March 22, 2017:***

#### **ATI Testing Policy**

In their last quarter, all students in progress before March 31, 2017 are required to take the ATI Comprehensive Predictor Test which identifies strengths and weaknesses in knowledge and readiness for the N-CLEX exam. If the required minimum score is not met, the student will be required to attend the live ATI Review to fulfill completion requirements. The required outcomes are posted on the Nursing Bulletin Board.

#### **Effective March 22, 2017, for Nursing Students starting SP17 and forward to:**

***Delete ATI Policy (p. 98) and replace with:***

#### **Computer Assisted Instruction (CAI) Policy for Nursing Students**

In their last quarter, all nursing students are required to take the Exit Exam which identifies strengths and weaknesses in knowledge and readiness for the N-CLEX exam. If the required minimum score is not met, the student will be required to repeat the associated course to fulfill completion requirements. The required outcomes are posted on the Nursing Bulletin Board. All students must complete the AIAM designated Live N-CLEX Review.

#### **Effective for students starting in SP17 and going forward:**

##### **Practical Nursing**

Completion Requirements (P. 76)

1. Complete all coursework with a minimum of 75 percent on all class, lab and clinical work.
2. Meet or exceed attendance requirements.
3. Attend the AIAM designated Live Review.
4. Maintain high standards of conduct and follow the student conduct policy, including compliance with all clinical agency policies.
5. Payment in full of all tuition and settlement of all financial obligations with the school.
6. Complete the program within 1.5 times the length of the program. (88.5 attempted credits)

##### **Registered Nursing**

Completion Requirements (P. 85)

1. Complete all coursework with a minimum of 75 percent on all class, lab and clinical work.
2. Meet or exceed attendance requirements.
3. Attend the AIAM designated Live Review.
4. Payment in full of all tuition and settlement of all financial obligations with the school.
5. Complete the program within 1.5 times the attempted credit hours, which is 164.25 attempted credits (or 135 attempted credits for Advanced Placement Option).

**RESCIND:**

March 1, 2017

Effective for students starting in SP17 and going forward:

Practical Nursing

Completion Requirements (P. 79)

3. Meet or exceed the identified minimum standard on the ATI Comprehensive Predictor by the second attempt. If the minimum standard is not met, the student must attend the live ATI review and complete to the "Green Light" the Virtual ATI NCLEX Review (V-ATI) for the release of letter of completion to the Ohio Board of Nursing, or if the student is deemed by ATI to be ineligible to earn the Green Light for any reason, the student must earn 100% Completion status of the Virtual ATI NCLEX Review (VATI).

Registered Nursing

Completion Requirements (P. 85)

3. Meet or exceed the identified minimum standard on the ATI Comprehensive Predictor by the second attempt. If the minimum standard is not met, the student must attend the live ATI review and complete to the "Green Light" the Virtual ATI NCLEX Review for the release of letter of completion to the Ohio Board of Nursing, or if the student is deemed by ATI to be ineligible to earn the Green Light for any reason, the student must earn 100% Completion status of the Virtual ATI NCLEX Review (VATI).

**Revised language effective for students starting SP17 and going forward:**
