Page 129 Under Consequences for Academic Misconduct, replace #1 with the following:

1. For a first offense, the student must schedule a meeting with the Academic Dean (or Director of Nursing if the plagiarism occurred within a nursing course) within 5 days of receiving notification of the offense. The student may resubmit the paper within 5 days of notification of the offense after the meeting with the Academic Dean (or DON) and will receive a 20% grade penalty. The student will be placed on Behavioral Warning. Failure to meet with the Dean (or DON) within 5 days will result in receiving a "0" for the associated paper and being placed on Behavioral Probation.
