

TITLE IX NOTICE

In accordance with Title IX of the U.S. Department of Education's Education Amendments of 1972, American Institute of Alternative Medicine does not discriminate on the basis of sex/gender, including in any phase of its employment process, in admission or financial aid programs, or in other aspects of its educational programs or activities.

American Institute of Alternative Medicine's Title IX Coordinator works with the school's administration, faculty/staff, and students, to ensure compliance with Title IX and to foster a community free of illegal gender discrimination, sexual harassment and sexual violence.

Title IX incidents and concerns should immediately be reported to the Title IX Coordinator:

Melissa Fischer, MLIS

Title IX Coordinator

Director of Student and Graduate Services

6685 Doubletree Avenue

Columbus, Ohio 43229

614-825-6255
