pp. 111-112 (goes into effect May 25th, 30 days from publish date, per policy), updated Consequences for Academic Misconduct Section

Consequences for Academic Misconduct

Students who are found guilty of academic misconduct for cheating (which includes plagiarism) on a test/assignment shall receive the following consequences:

1. For a first offense, the student will receive a "0" on the test/assignment and can appeal Academic Dean (or Director of Nursing or Associate Director of Nursing if the cheating occurred on a nursing course test/assignment) within 5 days of receiving notification of the offense. The student will be placed on Behavioral Warning.
2. For a second offense, the student will fail the associated course and be placed on Behavioral Probation. The student may appeal to the Academic Dean within 5 days of receiving notification of the offense.
3. For a third offense, the student will be dismissed from the program.
4. If a student's academic misconduct involves the student giving homework/assignments, sharing test questions, etc. from a course previously taken to student(s) currently in the course, the student will be dismissed from the program.

Students who borrow another student's laptop to take a test assume responsibility for logging into the Populi test under their own Populi account login instead of the other student's saved login information. Students who do not login and test using their own account prevent the other student from accessing the test. Any student who tests under another student's login will receive a "0" on the exam.

Students who are found guilty of academic misconduct on an exit exam (Comprehensive Predictor/Terminal Competencies/MBLEx Review) will be dismissed from the program.

The student has the right to Appeal in all the above situations. (See Appeals policy)
