

work in wonderful wyoming

SWEET GRASS ACUPUNCTURE & WELLNESS IS CURRENTLY SEEKING A LICENSED ACUPUNCTURIST TO JOIN OUR GROWING CLINIC IN CASPER, WYOMING.

Our clinic specializes in women's health and reproductive medicine, pain management, and anxiety/depression, though we are an all-encompassing general practice that serves ranchers, teachers, nurses, kids, moms, cowboys and veterans alike, as Wyoming has a wide-ranging demographic.

We're seeking an acupuncturist who prioritizes compassion, grit and hard work, creativity and courage as main tools for providing excellent healthcare and building strong rapport with patients. Our ideal candidate is willing to learn and practice our clinic's specific treatment protocols and is comfortable treating multiple patients (preferably two patients per hour). We are also on a mission to provide exceptional care through an exceptional work life balance. Our goal is for all employees to work a productive 4 days a week and thrive the rest of their week.

Sweet Grass Acu offers multiple modalities including acupuncture, Chinese herbal medicine, cupping, and gua-sha.

Becoming a Sweetgrass Acupuncture Practitioner means you will join a growing practice with a primary acupuncturist and a remote administrative assistant/scheduler. Part time or full time available

OUR IDEAL CANDIDATE MUST:

- Set good, healthy boundaries;
- Have a strong work ethic;
- Have a good sense of humor;
- Practice excellent patient rapport;
- Be punctual & reliable;
- Exhibit professionalism;
- Employ clear communication skills;
- Be accountable for their actions and decisions

DETAILS:

- Our compensation model for clinicians is a W-2 straight commission on treatments performed, which means you will have freedom to set your own income. Pay is commission based at \$40-\$80 hour, plus 25% commission on herbs, supplements and topicals.
- SGA will pay for the practitioner's first year of Wyoming license and provide a moving stipend if applicable.
- Practitioner will start with one room, with a second available as practice grows.
- All supplies and marketing provided by the business.
- This is a long term opportunity for someone who does not want to own a business but enjoys being an empowered employee.
- Growth opportunities at the clinic include group acupuncture, microneedling or traveling to more rural clinics.

Casper is the second largest city in Wyoming, and boasts a long history of outdoor adventure, western culture, and affordable living. It has many outdoor activities available, such as hiking, fishing, and skiing. The community has been growing quickly over the past several years, adding new housing, restaurants, and businesses, making it a great opportunity for an up-and-coming practitioner. People here are kind, hard-working and community oriented (our city has been dubbed the most giving city in the US!) They deserve and need more holistic care which is why we need a new, fantastic practitioner!
