

## Urban Acupuncture Center is seeking a part-time licensed **ACUPUNCTURIST.**

Urban Acupuncture Center is a community acupuncture clinic committed to providing quality acupuncture services at an affordable rate. We believe that acupuncture's potential as a viable healing modality can only be realized when it is accessible. We utilize a "pay what you can afford" philosophy for community acupuncture sessions that allow patients to come in often enough to get better and stay healthy. We offer private treatments at a fixed cost including massage therapy, cupping, reiki, gong bath/sound-healing & workshops to support our mission.

### **Licensed Acupuncturist Qualifications:**

- Minimum of 1 year with an active license preferred
- Must provide your own malpractice insurance at the state required minimum
- Basic working knowledge of how to diagnose and treat patients utilizing distal point techniques
- Must be available to work 1-3, 4-hour community acupuncture shifts per week with the opportunity to add more in the future if desired. At least one shift will be an evening (4-7 pm) or weekend (Saturday or Sunday)
- Desire to work in a fast-paced environment and gain valuable experience treating a diverse group of patients of varying ages and backgrounds
- Ability to work both independently and cooperatively in a team environment
- Possess soft skills required to navigate interpersonal interactions with patients and other staff successfully
- Capacity to handle other clinic tasks as needed including but not limited to: filing, scheduling patients & cleaning

### **Benefits of Acupuncturist position:**

- Paid training (we can train you in community acupuncture, distal & balance methods)
- Guaranteed hourly wage
- One free acupuncture treatment per week
- Positive work environment with various opportunities for continued learning and development
