

Urban Acupuncture Center is seeking a part-time licensed **MASSAGE THERAPIST.**

Urban Acupuncture Center is a community acupuncture clinic committed to providing quality acupuncture services at an affordable rate. We believe that acupuncture's potential as a viable healing modality can only be realized when it is accessible. We utilize a "pay what you can afford" philosophy for community acupuncture sessions that allow patients to come in often enough to get better and stay healthy. We offer private treatments at a fixed cost including massage therapy, cupping, reiki, gong bath/sound healing & workshops to support our mission.

Licensed Massage Therapist Qualifications:

- Minimum of 1 year with an active license preferred
- Must provide your own malpractice insurance at the state required minimum
- Knowledge of multiple massage techniques, especially therapeutic, deep tissue, active release & trigger point techniques
- Basic working knowledge of anatomy & physiology
- Ability to work independently and also as part of a great team

Benefits of Massage Therapist Position:

- Paid training
- Commission based pay as a W2 employee; Keep 100% of this
- Only be at work when you have appointments
- Opportunity to provide input into your own schedule
- One free community acupuncture treatment per week.

If interested, please email us at: info@urbanacupuncturecenter.org with a resume and short bio of your qualifications, ATTN: Larissa. Additionally, at least one professional and one personal reference will be required before hiring.
